

Highline Court Homeowners Association

GUIDELINE

Electric Car Charging Station

Any and all electric car charging stations must be contained within the individual garage. Installation and maintenance will be the responsibility of the owner.

Owners are responsible for any City of Aurora permits that may be required.

You will need to notify your Homeowner's insurance carrier of your installation to be sure that you have coverage.

Adopted by the DRC on: August 15, 2013

Approved by the Board of Directors on: September 10, 2013
